The Fairbridge Society

The Society was founded by Kingsley Fairbridge in 1909 with the objects of helping children to start a new life in the Commonwealth and giving the Commonwealth good British migrants.

In the past 60 years many thousands of children have been given such opportunity through the Fairbridge Centres in Australia and Canada.

Prior to the passage of the Children Act of 1948 many children, deprived of a normal family life in this country, were given a new and happy life through Fairbridge. Today, the Society is always happy to receive such children on the recommendation of Local Authorities and can offer them a happy life full of opportunity in Australia.

Today, the Society assists families to find a new life in Australia, especially those in which a parent is left alone to bring up their children. The Society helps by sponsoring such single parents and by looking after their children in their pleasant Centres in Australia until the parent is fully settled in employment and the family can be reunited in a new home. Farm Training on the Society's 3,000 acre Farm in Western Australia can also be given to boys of 15/16 and the Society offers scholarships to Universities in Australia and Canada for young men and women between the ages of 18 to 21.

Perhaps you know of a case deserving of our help or would wish to assist financially in the work of this Charity, if so please write for further details to:

A Deed of Gratitude

A legacy for the Methodist Homes for the Aged is a means many generous people adopt in expressing gratitude for their own home, and for serenity and peace-of-mind in their old age. Our constantly growing income from legacies more than any other factor, has enabled us to embark on the capital expenditure for twenty-eight Homes. Unfortunately even these will accommodate only a few of the hundreds of deserving people on the tragically long waiting list. We thankfully acknowledge this valuable assistance and ask you please to remember the Methodist Homes for the Aged when advising your clients.

Methodist Homes for the Aged

General Secretary: Rev. R. J. Connell, B.A., B.D.

Although the Methodist Ministers Housing Society now owns over two hundred and fifty dwellings, it needs six hundred to achieve its aim to provide accommodation for all retired Methodist Ministers at rents they can afford.

The Society relies to a considerable extent on generous assistance from legacies. Please bring the needs of this Society to the attention of your clients. Many more houses, flats and bungalows are required to meet the demand. Gifts of property and money by legacy are most appreciated.

Please write to the Treasurer, Rev. Derek R. Farrow, B.A., or to the Secretary, D. G. Haines, F.C.A., Methodist Ministers Housing Society, 1 Central Buildings, Westminster, London, S.W.1

Chairman: Rev. A. Kingsley Lloyd.

THE HARRISON HOMES

(founded in 1869)

CENTENARY APPEAL

This Charity owes its origin entirely to voluntary efforts which is still a feature of its activities. Homes are provided for the elderly in need. The residents by personally furnishing a separate room retain links with their past. They enjoy complete independence but with the benefit of a community life and of nursing services when necessary. When unable to care for themselves they are looked after in our own Rest Home which has accommodation for 20.

As a Centenary effort work has been completed to improve and extend a block of old houses. A similar scheme for another group of properties is in hand. Funds for these projects costing £360,000, ever mounting general costs and for the purchase of additional houses are urgently needed.

Further particulars may be obtained from:
